Whitefish Bay School District

Web Design: The WFB School district needed a website that would serve as an umbrella site to the four schools within it's district. The site would serve as a portal to the students, teachers and parents of Whitefish Bay, WI.

Results: The unified visual treatment given to the site has helped establish an on-line cohesiveness while allowing each school to express their individuality. At Teuteberg we're committed to exceeding your expectations about what full-service print and digital solutions are all about. Each time. Every time.

For more information, or to arrange a meeting or personal tour of our campus, feel free to contact us at any time.
